CLASS DESCRIPTIONS

H.I.I.T. CYCLE (SPIN STRENGTH)

High Intensity Interval Training is a strategy alternating periods of short intense anaerobic exercise followed by less intense recovery periods. By combining a variety of different exercises using weights for upper body strength, this class tones your arm, abs, butt, hips and thighs. Great for those who need to maximize workout time. Modifications and progressions given.

H.I.I.T.

A full-body workout. The class is programmed as an **interval training sequence with high-intensity exercises**. It builds cardiovascular fitness while improving muscular strength and endurance. People are challenged to push to their limits and walk out feeling strong. All fitness levels are welcomed as exercises can be modified.

BARBELL STRENGTH

Work all major muscle groups in just 55-60 minutes! Get lifting and you'll tone and shape your entire body without adding bulky muscles. This full body workout will burn calories, shape and tone your entire body, increase core strength and improve bone health.

STRENGTH TRAINING

Strength Training is a full body workout using a combination of bodyweight exercises, kettlebells, dumbbells, and more! These full body workouts focus on the upper body, lower body, and core. Challenge your body and improve your strength in this class. All fitness levels are welcomed.

BARRE CONNECT

Barre Connect is a Cross-Training conditioning workout, Ballet and Pilates based format (no impact) designed to increase lean muscle tone while improving cardiovascular endurance. Using 4 segments of work, classes will focus on posture, balance, stability and core strength while using balls, bands and weights!

SPIN & SCULPT

Get ready to sweat in this 45 minute class!! This stationary bike class will burn calories without impact to your joints, it's all muscle and cardio conditioning! Bring a personal towel and a water bottle.

BODY BLAST / STRENGTH & CORE

Body blast incorporates both cardio and toning exercises into a complete workout. This class incorporates interval-focused exercises that provide variety. Strength building provides maximum results!

YIN YOGA

Yin yoga is a slow-paced style of yoga with postures, or asanas, that are held for longer periods of time—for beginners, it may range from 45 seconds to two minutes; more advanced practitioners may stay in one asana for five minutes or more. This deep stretching which will release tension on your muscles, ligaments and joints.

WATER AEROBICS

A fun, shallow-water exercise class that is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

SENIOR FITNESS

This class offers something for everyone, regardless of fitness level, and can help improve overall strength and flexibility, helping you stay healthy and independent; go at your own pace.

VIRTUAL CLASSES

Participants can follow along with a pre-recorded class on the projector screen in the Warehouse.

VIRTUAL CHAIR YOGA

Gentle yoga will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction. Classes are pre-recorded with Joy as the instructor.
