As parent or legal guardian of the child listed above, I understand and agree to the following terms and requirements:

1. I will not leave my child in the Childcare Center for longer than two (2) hours, and I will remain in the facility at all times.
2. I will help acclimate my child to this new environment until s/he feels secure with the child care attendants. I recognize that all children have good and bad days, and time in the Childcare Center may not be in their best interest on certain days.
3. I will not bring my child to the Childcare Center if s/he is ill. This includes having a fever of 99.9°F or higher, a rash, a runny nose, runny eyes, or a cough.
4. I will make sure my child has used the restroom or has a fresh diaper before coming to the Childcare Center. I understand that the child care attendants can not change soiled diapers or provide individualized toilet training.
5. I will bring any necessary supplies for my child (pacifier, special toy or blanket, etc). I understand the child care attendants will not be permitted to administer medication to my child.
6. I will not bring my child to the Childcare Center hungry, nor will I bring food/snacks into the Childcare Center.
7. I give the child care attendants permission to use the "Time Out" method for discipline. I understand that MCC Staff will notify me if my child is disruptive and does not respond to positive discipline.
8. I will provide payment in full for services at the time of service.
9. I will not hold the City of Monticello, the Monticello Community Center, its staff, or its agents liable for injury or illness incurred while in the Monticello Community Center Childcare facility.
