CLASS DESCRIPTIONS

H.I.I.T. CYCLE (SPIN STRENGTH)

High Intensity Interval Training is a strategy alternating periods of short intense anaerobic exercise followed by less intense recovery periods. By combining a variety of different exercises using weights for upper body strength, this class tones your arm, abs, butt, hips and thighs. Great for those who need to maximize workout time. Modifications and progressions given.

BARBELL STRENGTH

Work all major muscle groups in just 55-60 minutes! Get lifting with Barbell Strength and you'll tone and shape your entire body without adding bulky muscles. This full body barbell workout will burn calories, shape and tone your entire body, increase core strength and improve bone health.

BARRE CONNECT

Barre Connect is a Cross-Training conditioning workout, Ballet and Pilates based format (no impact) designed to increase lean muscle tone while improving cardiovascular endurance. Using 4 segments of work, classes will focus on posture, balance, stability and core strength while using balls, bands and weights!

SPIN & SCULPT

Get ready to sweat in this 45 minute class!! This stationary bike class will burn calories without impact to your joints, it's all muscle and cardio conditioning! Bring a personal towel and a water bottle.

VINYASA YOGA

Yoga poses and breathing at a slower, gentler pace. This class will combine physical movements with breath to increase strength and flexibility, balance, reduce stress, and enhance focus. Vinyasa flows at a faster pace.

CHAIR YOGA

Gentle yoga will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction.

YIN YOGA

Yin yoga is a slow-paced style of yoga with postures, or asanas, that are held for longer periods of time—for beginners, it may range from 45 seconds to two minutes; more advanced practitioners may stay in one asana for five minutes or more. This deep stretching which will release tension on your muscles, ligaments and joints.

SILVER SNEAKERS CLASSIC

Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance. A chair is used for seated and/or standing support.

NEW VIRTUAL CLASSES

Participants will follow along with a pre-recorded class on the projector screen in the Warehouse.

Check-in at Guest Services and head directly to the Warehouse to get your equipment ready prior to the start time.
