

Greenbush Farms is looking forward to the market!

This will be the sixth market of the year for us!

The main two products we will be selling this week are Asparagus bunch \$5, and Rhubarb bunch \$4.

We also have a variety of canned products in limited supply.

Customers can text 612 669 6408 to order prior to market opening.

Also if someone wants delivery to their car in the lot, they could call during the market.

Peace

Chuck and Tony
