- Locker Rooms

### Let Us Know You're Coming

We're thrilled to see so many of you back enjoying the Community Center! Some activities are filling up quickly, and we can't be sure a spot will be open for you when you visit unless you reserve your space ahead of time. When you personally schedule your own visit online, you'll be able to see how many other members and guests are registered for each time slot.

Please also let us know if you need to cancel your reservation so we can be

### Let's All Workout Safely

Please maintain social distance from other people in the facility and remember to wear a mask at all times, including while weightlifting and playing basketball. Masks must cover your nose and mouth completely, fit securely without slipping off, and be free of any holes or vents.

We're striving to create a safe facility for all users, so we will ask members and guests who refuse to wear a mask to leave the facility. Repeated refusal to comply with the rules of the facility may result in suspension of membership.

Remember: With your help, we can continue providing a healthy, fun place for our community to experience the important physical and mental health benefits of every visit!

**Thank you for your  
cooperation and for  
helping keep our  
community healthy!**

sure it's available to others.

Reserve your space by clicking the  
button below!
