

Dear Members,

We are grateful for your patience, and we are excited to announce that the community center will reopen for specific activities on Monday, December 21. Executive Order 20-103 recognizes that physical exercise can help strengthen our immune systems and provides mental health benefits, and the Monticello Community Center can be your refuge to exercise this winter.

The Monticello Community Center will open with the following protocols in place.

- Hours of operation:
 - Monday-Friday: 5:00 A.M.- 8:00 P.M.
 - Saturday: 8:00 A.M.-4:00 P.M.
- Members and guests must make a reservation and agree to wear a face covering at all times
 - Reservations should be made online at www.monticellocommunitycenter.com
 - Face coverings must be worn at all times, including while exercising, regardless of the level of physical exertion
 - Additional information about reopening requirements and instructions for making reservations can be found on our website
- Members must maintain a 12-foot distance from others while exercising
- Amenities available for reservations:
 - Upstairs Fitness Area and Track
 - Open Gym
 - Rock Climbing (during scheduled times only)

The following amenities will remain CLOSED until further notice:

- All locker rooms
- Pool & Spas
- Group Fitness Classes
- West Entrance near the Gymnasium
- Indoor Play Area
- Child Care

Payment Update

Due to the closure, the MCC did not withdraw membership dues or other user fees in December. **Payments for continuous memberships will resume on January 10, 2021.** Members with paid-in-full memberships (3-month and annual) will have their membership terms extended by one month.

Freeze Option

We understand some members may not be ready to return to the facility, so we are offering an option to freeze your membership temporarily. The freeze will prevent payments from being withdrawn, while keeping your membership for future use. 3-month and Annual memberships

will be extended the length of the freeze period. Members also have the option to cancel their membership if it is no longer the right fit. If you would like to place your membership on a temporary freeze, please visit our website at www.monticellocommunitycenter.com to submit an official freeze request. You will receive a confirmation email within five business days.

If you have questions, please do not hesitate to call 763-295-2954 during business hours or email us at mccinfo@ci.monticello.mn.us.

We hope to see you soon!
The MCC Management Team
