

Open Skate at the Moose Sherritt Ice Arena

The MCC will offer open skating at the Moose Sherritt Ice Arena starting **July 9**. MCC members and non-members may skate during scheduled open skate times. Skating is included with an MCC membership; the cost for non-members is \$5 per person. Reservations **must** be made and paid for online.

Ice skating on hockey skates or figure skates will be allowed in a large, one direction, circular pattern around the arena. No hockey sticks, drills, scrimmaging or horseplay is allowed. Skate assists will be available for beginning skaters. Skate rentals will be available for \$3 and will be paid to the attendant, exact cash is preferred. A Rink Attendant will be on-site to check-in skaters, rent skates, sanitize equipment and enforce social distancing.

Capacity will be 20 skaters per reservation time slot. The open skate schedule will be posted online. A minimum of 5 skaters per reservation time will be required. If the reservation time shows less than 5 skaters 2 hours prior to the start time, open skate will be canceled for that time slot.

Skaters 11 years old and younger must be supervised by a responsible adult who should skate with the child or sit in the stands to watch their child. Family and close social groups may reserve time and skate together. Individual skaters must maintain a 6-foot radial distance with others while changing into gear, waiting off the ice and while skating.
